

DETTE ER EN KØDBY

Ni kunstnere udstiller værker i ni forskellige forretninger. Værkerne findes på en butikshylde, i en frysedisk eller i et udstillingsvindue, og skaber dermed overraskelser, man kan opleve mens man køber ind, spiser eller går rundt i området.

De ni kunstnere, som deltager i udstillingen, er Kasper Hesselbjerg, Mia Edelgart og Steffen Jørgensen, der alle har været i residency hos Art Hub i foråret 2021. Derudover er det Gro Sarauw, Adam Khalil og Thuy-Han Nguyen-Chi, der i øjeblikket er i residency hos Art Hub samt Linda Lamignan, Marie Munk og Jens Settergren, som alle er en del af Bikubenfondens residency-program. Udstillingen viser yngre talentfulde danske og udenlandske kunstnere i samspil med Art Hubs lokalområde på Vesterbro.

Udstillingen er et eksperiment, der har til hensigt at vise kunsten i alternative rammer og dermed gøre opmærksom på kunstens potentiale.

Udstillingsperiode:
28. september – 10. oktober 2021.

Udstillingen er en del af Art Week og støttet af Vesterbro Lokaludvalg.

THIS IS A MEAT CITY

Nine artists are exhibiting their work in nine different commercial premises. Works will be exhibited on a display shelf, in a cooling counter or in shop windows, thereby creating surprises when you go shopping, dining or just for a stroll in the area.

The nine artists featured in the exhibition are Kasper Hesselbjerg, Mia Edelgart and Steffen Jørgensen, all of who have had residencies at Art Hub. The other six are Gro Sarauw, Adam Khalil and Thuy-Han Nguyen-Chi, currently in residence at Art Hub, and Linda Lamignan, Marie Munk and Jens Settergren, who are taking part in the Bikuben Foundation's Residency-to-go programme. The exhibition presents works by young, talented artists from both Denmark and abroad in the context of Art Hub's local neighbourhood.

The exhibition is an experiment in showing art in new settings and directing attention to the potential of art.

Exhibition period:
28 September – 10 October 2021.

The exhibition is part of Art Week and is supported by Vesterbro Lokaludvalg.
