

Art Hub Copenhagen : Newsletter #26 : February 2023

## INTRODUKTION

Kære læser, her i februar har vi fået nye residency-kunstnere i huset: [Maja Malou Lyse](#), [Javier Tapia](#) og [Filip Vest](#). Dem kommer I til at høre meget mere om i de næste fem måneder, hvor de er en del af vores [Art Hub Residency-program](#). For os er residencies en mulighed for at opdyrke nye netværk, få faglig sparring og ikke mindst tid og rum til at udvikle sin kunstneriske praksis. Udover Art Hub Residency har vi også programmet [Residency To-Go](#), hvor kunstnerne [Tore Hallas](#), [Regitze Engelsborg Karlsen](#), [Maria Nørholm Ramouk](#), [Alexandra Jönsson](#), [Trine Struwe Hansen](#) og [Sóley Ragnarsdóttir](#) lige har afsluttet et forløb. Der går lidt endnu, før vi igen har Open Call til Residency To-Go, men lige nu har vi åbent for ansøgninger til [Summerworks 2023](#), vores New York residency med fokus på grafik og tryk. Det er i øjeblikket også muligt at søge om at få Art Hub Copenhagen som [værtsinstitution til ph.d.-projekter i praksisbaseret forskning](#). I dette nyhedsbrev kan du læse mere om de to aktuelle ansøgningsrunder. Rigtig god læsning!

## OPEN CALL: RESEARCH HOSTING : SUMMERWORKS

### [RESEARCH HOSTING](#)

Man kan nu ansøge om at få Art Hub Copenhagen (AHC) som værtsinstitution til ph.d.-projekter i praksisbaseret forskning. Projekterne bliver primært finansieret af Novo Nordisk Fondet (NNF). Deadline 27. februar 2023.

AHC tildeler husningstilsagn til forskningsprojekter, der vurderes at være originale og kunstnerisk relevante og til ansøgere, der vurderes egnede til at indgå i en akademisk kontekst og i AHCs øvrige forskning- og formidlingsaktiviteter.

Hvert år udvælger AHC max. fire ansøgere til kunstneriske ph.d.-stipendier og to til kuratoriske ph.d.-stipendier. Alle kandidater udvælges af en jury bestående af to eksterne medlemmer, der skifter hvert år, samt et medlem fra AHCs team.

De kandidater, der tilbydes husning på AHC kan efterfølgende søge om finansiering hos NNF. NNF har deadline for ansøgninger i begyndelsen af januar hvert år. Ønsker man at søge en ph.d.-stilling med husning hos AHC, skal man først ansøge om husning hos AHC og dernæst om forhåndsgodkendelse fra et dansk universitet, før der søges om finansiering gennem NNF.

Deadline for indsendelse af ansøgninger er 27. februar 2023.

### [SUMMERWORKS](#)

Kunstnere med en særlig interesse i grafik- og trykproduktion kan nu søge om at deltage i Summerworks-residenciet i New York, juli 2023. Deadline 1. marts 2023.

AHC har endnu en gang slået sig sammen med [The Elizabeth Foundation for the Arts \(EFA\)](#) for at tilbyde fire kunstnere et fire ugers ophold på [Academic Guest House](#) i New York. Residenciet fokuserer på grafisk produktion og på at udvikle deltagernes netværk i et internationalt miljø.

Udover den ene måneds ophold i New York skal residenterne deltage i to til tre forberedelsesmøder på AHC på Halmtorvet i København. Disse forberedelsesmøder finder sted i maj og juni 2023.

Som en del af Summerworks skal residenterne blandt andet lave en mindre præsentation af deres praksis i EFAs lokaler, samt en efterfølgende præsentation af udvalgte skitser fra opholdet hos [SKITSE](#) i København.

## OPEN CALL: RESEARCH HOSTING : SUMMERWORKS

### RESEARCH HOSTING

You can now apply to have Art Hub Copenhagen (AHC) as host institution for Ph.D projects in practice-based research. The projects will primarily be funded by the Novo Nordisk Foundation (NNF). Deadline 27 February 2023.

AHC assigns hosting pledges to research projects considered original and artistically relevant, and to applicants considered suitable for admission to an academic context and to AHC's research and mediation activities.

Each year AHC selects a maximum of four applicants for practice-based PhD grants in visual art and two for practice-based Ph.D grants in curating. All candidates are selected by a jury consisting of two external members who change each year, as well as one member from AHC's team.

The selected candidates are offered placements at AHC and against this background can apply for funding from NNF. NNF has a deadline for applications at the beginning of January each year. If one wishes to apply for a Ph.D position hosted by AHC one must first apply for hosting at AHC and then for advance approval from a Danish university before applying for funding from NNF.

Deadline for applying: 27 February 2023.

Artists with a special interest in graphics and printmaking can now apply to join the Summerworks Residency in New York in July 2023. Deadline 1 March 2023.

Once again, AHC has joined forces with the [Elizabeth Foundation for the Arts \(EFA\)](#) to offer four artists a four-week residency at the [Academic Guest House in New York](#). The focus of the residency is graphic production and the expansion of the participants' networks in an international environment.

In addition to their one-month stay in New York, the participants will attend two or three preparatory meetings in Copenhagen at AHC, Halmtorvet. These preparatory meetings will take place in May and June 2023.

As part of the Summerworks programme, the artists in residence must make a small presentation of their practices in the EFA's premises, and a subsequent presentation of sketches from their residency at [SKITSE](#) in Copenhagen.
